Zesty Mottle Blend (Garlic Lemon Pepper)

Are you looking for a way to spice up your meals with a natural and healthy seasoning? Do you want to add a zesty and refreshing flavor to your poultry and seafood dishes? If so, you will love Zesty Mottle Blend, a garlic lemon pepper seasoning from HS Creations, a California company that specializes in handcrafted, organic, fresh blends.

Zesty Mottle Blend is made with black pepper, lemon peel, and garlic, a combination that is both piquant and invigorating. Unlike commercial lemon pepper seasonings, Zesty Mottle Blend uses the lemon peel, not the juice, to capture the true essence of lemon flavor. The lemon peel has a bright and zesty taste that adds a punch to any dish, while the juice only provides a sour taste. The garlic enhances the flavors and adds a touch of warmth and aroma. The black pepper balances the seasoning with a hint of spice and heat.

Zesty Mottle Blend is easy to use and versatile. You can sprinkle it on your chicken, fish, shrimp, or scallops before cooking, or add it to your marinades, sauces, or dressings for a burst of flavor. Zesty Mottle Blend has a well-rounded flavor that won't disrupt your dishes' taste, color, or texture. It is also organic, gluten-free, and vegan, so you can enjoy it without any guilt.
